Allowable Subject Matter

Applicants appreciate the Examiner's indication of allowable subject matter. Claims 7 and 17 have been objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including the limitations of the base claim and any intervening claims. Without conceding the propriety of the Examiner's rejections, but merely to expedite the prosecution of the present application, claim 1 and claim 15 have been rewritten to include the allowable features of claims 7 and 17, respectively. As indicated by the Examiner in the Office Action, all of the claims of the present application should be allowed and the present application should be passed to Issue.

Claim Rejections Under 35 U.S.C. § 103

Claims 1, 2, 5, 6, 8-16 and 18-22 have been rejected under 35 U.S.C. § 103(a) as being unpatentable over Goodman et al. (U.S. Patent No. 4,998,543). This rejection is respectfully traversed.

In light of the foregoing amendments to the claims, Applicants submit that this rejection has been obviated and/or rendered moot. As indicated by the Examiner in the Office Action, claims 1 and 15 of the present application should be allowed. Accordingly, reconsideration and withdrawal of the claim

rejections is respectfully requested. Therefore, Applicants respectfully submit

that the instant application is in a condition for allowance.

As to the dependent claims, Applicants respectfully submit that these

claims are allowable due to their dependence upon an allowable independent

claim, as well as for additional limitations provided by these claims.

CONCLUSION

Since the remaining references cited by the Examiner have not been

utilized to reject the claims, but merely to show the state-of- the-art, no further

comments are deemed necessary with respect thereto.

All the stated grounds of rejection have been properly traversed and/or

rendered moot. Applicants therefore respectfully request that the Examiner

reconsider all presently pending rejections and that they be withdrawn.

It is believed that a full and complete response has been made to the

Office Action, and that as such, the Examiner is respectfully requested to send

the application to Issue.
